1. Policy Statement & Commitment to Fair Advice

Citizens Advice Wandsworth is committed to providing free, confidential, impartial, and independent advice of the highest standard. We recognize that recording consultation audio—even for assistive note-taking—requires complete transparency, voluntary consent, and an accessible grievance route.

[!IMPORTANT]

Zero Retaliation Guarantee:
Making a complaint or expressing concern regarding consultation recording will never adversely affect the quality, urgency, or availability of your advice or future appointments.

2. Multi-Channel Contact & Ingestion Routes

Clients wishing to raise a question, objection, or formal complaint regarding the use of Case Ace recording may do so through any of the following staffed channels:

3. Dedicated Staffing & Roles

Lead Client Complaints Officer: Senior Operations Manager (Wandsworth Bureaux).
Data Protection Officer (DPO): Investigates any complaint involving suspected privacy breach or consent validity.
Lead Quality Manager: Investigates complaints regarding advice accuracy or note content.

4. Response Timeframes & Investigation Workflow

CEO->>Client: Final Written Charity Decision (< 10 Working Days)
end

Stage 1: Frontline Resolution (< 24–48 Hours)

Immediate Verification: The Complaints Officer checks the pseudonymous session ID in the telemetry log to verify the stage reached and outcome.

Privacy Reassurance: The officer provides formal written confirmation that:

The consultation recording was processed strictly in temporary computer memory (RAM).

The audio was completely erased at session end (destroySession()).

No audio recording or unredacted personal information is stored on computer disks or shared with any third party.

Formal Resolution Letter: Delivered to the client within 5 working days.

Stage 2: Executive Review (Chief Executive)

If the client is dissatisfied with the Stage 1 outcome, the complaint is escalated directly to the Chief Executive of Citizens Advice Wandsworth for a comprehensive review within 10 working days.

5. Independent External Escalation

If a client remains dissatisfied after exhausting CAW's internal complaints process, they have the statutory right to escalate their complaint to independent external bodies:
