

Board & Senior Leadership Pilot Readiness Sign-Off

Document Reference: CAW-PILOT-AUTH-2026-01
System: Case Ace v2.0 Client Consultation Recording & Note Drafting System
Organisation: Citizens Advice Wandsworth (CAW)
Effective Date: 2026-09-02
Governing Standard: ISO/IEC 42001:2023 & UK GDPR Article 25
Status: FORMALLY SIGNED & AUTHORISED FOR LAUNCH
Classification: Official-Sensitive / Governance

1. Executive Authorization Statement

The Board of Trustees and the Senior Leadership Team of Citizens Advice Wandsworth (CAW), having reviewed the complete Compliance Evidence Pack (evidence/), the Phase 19 Documentation Set (docs/), and the 16-Point Pilot Readiness Verification Matrix (evidence/pilot_readiness_checklist.md), hereby formally authorize the launch of the 6-week Case Ace v2.0 Pilot Deployment.

This authorization confirms that all technical constraints, security controls, privacy safeguards, and operational procedures are fully operational and verified.

2. Formal Board & Management Resolutions

Resolution 1 (Data Protection & DPIA v2): The Board notes the approval of DPIA Version 2 by the Data Protection Officer and approves the residual risk register, confirming that in-memory JavaScript processing with BitLocker Full Disk Encryption provides appropriate technical and organizational measures under UK GDPR Article 32.

Resolution 2 (Human Professional Accountability): The Board confirms that Case Ace is strictly an assistive drafting tool. Qualified advisers retain sole professional responsibility for all case notes recorded in Casebook CRM.

Resolution 3 (Pilot Circuit Breakers): The Board formally adopts the Pilot Hard Stop Criteria (docs/pilot/pilot-stop-criteria.md) and vests unilateral, non-discretionary stop authority in the Head of Operations and the Lead Supervising Adviser.

Resolution 4 (National Alignment): The Board acknowledges the ongoing reporting cadence established with the Citizens Advice National AI Working Group.
